The District Agenda is comprised of four different sections:

The meeting will begin at **2:00 p.m.** with the seventh section called **Business Matters**. The business matters section contains items for approval by the District Board of Supervisors that may require discussion, motion and votes on an item-by-item basis. If any member of the audience would like to speak on one of the business items, they will need to register with the District Administrator prior to the presentation of that agenda item. Agendas can be reviewed by contacting the Manager's office at (813) 397-5120 at least seven days in advance of the scheduled meeting. Requests to place items on the agenda must be submitted in writing with an explanation to the District Manager at least fourteen (14) days prior to the date of the meeting. The ninth section is called **Administrative Matters**. The Administrative Matters section contains items that require the review and approval of the District Board of Supervisors as a normal course of business. The tenth section is called **Staff Reports**. This section allows the District Administrator, Engineer, and Attorney to update the Board of Supervisors on any pending issues that are being researched for Board action. The final sections are called **Board Members Comments and Public Comments**. This is the section in which the Supervisors may request Staff to prepare certain items in an effort to meet residential needs. The Audience Comment portion of the agenda is where individuals may comment on matters that concern the District. Each individual is limited to **three (3) minutes** for such comment. The Board of Supervisors or Staff is not obligated to provide a response until sufficient time for research or action is warranted. IF THE COMMENT CONCERNS A MAINTENANCE RELATED ITEM, THE ITEM WILL NEED TO BE ADDRESSED BY THE DISTRICT ADMINSTRATOR OUTSIDE THE CONTEXT OF THIS MEETING.

Public workshops sessions may be advertised and held in an effort to provide informational services. These sessions allow staff or consultants to discuss a policy or business matter in a more informal manner and allow for lengthy presentations prior to scheduling the item for approval. Typically no motions or votes are made during these sessions.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting is asked to advise the District Office at (813) 397-5120, at least 48 hours before the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770, who can aid you in contacting the District Office.

Any person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that this same person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

- (h) Notice of the award or intent to award, including rejection of some or all bids or proposals, shall be provided in writing to all bidders or proposers by United States Mail, or by hand delivery, or by overnight delivery service, and by posting the same in the District Office for seven (7) days.

- (1) Scope. The purchase of life, health, accident, hospitalization, legal expense, or annuity insurance, or all or any kind of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by these Rules. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of Invitation to Bid may be advertised at least once in a newspaper of general circulation in the District. The notice shall allow at least seven (7) days for submittal of bids, unless the Board, for good cause, determines a shorter period of time is appropriate.

- (d) Bids shall be opened at the time and place noted in the Invitation to Bid.

- (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies which have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, if any, to the District Officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall need of the District, its officers, employees and/or dependents.

If state or federal law prescribes with whom the District must contract, or established the rate of payment, then these Rules shall not apply. A contract involving both goods, supplies, and materials plus contractual services may, at the discretion of the Board, be treated as a contract for goods, supplies, and materials.

However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with these Rules and shall not be the basis for a protest of any contract award.
 - (d) Bids or proposals shall be opened at the time and place noted on the Invitation to Bid and Request for Proposal. Bids and proposals shall be evaluated in accordance with Invitation to Bid or Request for Proposal and these Rules.
 - (e) If only one (1) response to an Invitation to Bid or Request for Proposal is received, the District may proceed with the procurement for contractual services from such bidder or proposer. If no response to an Invitation to Bid or Request for Proposal is received, the District may take whatever steps are reasonably necessary in order to proceed with the procurement of the needed contractual services.
 - (f) The Board has the right to reject any and all bids or proposals. The reservation regarding the right to reject shall be included in all solicitations and advertisements. If the bids or proposals exceed the amount of funds available to or allocated by the District for this purchase, the bids or proposals may be rejected. Bidders and proposers not receiving a contract award shall not be entitled to recover any costs of bid or proposal preparation or submittal from the District.
 - (g) The Most Advantageous Bid or Proposal may be accepted by the District. The Board may require bidders to furnish bid, performance and/or other bonds with a reasonable surety to be approved by the Board.

The Board may designate a representative to function as contract manager, who shall be responsible for enforcing performance of the contract terms and conditions and serve as the liaison with the contractor. The Board may also designate a representative to function as contract administrator, who shall be responsible for maintaining all contract files and financial information. One person may serve as both contract manager and administrator.
- (6) Emergency Purchase. The District may make an emergency purchase of contractual services without complying with these Rules. The fact that an emergency purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

4.6 Procedure Under Consultant's Competitive Negotiations Act.

In order to comply with the requirements of Section 287.055, Florida Statutes (regarding certain types of professional services), the following procedures are outlined for selection of firms or individuals to provide professional services exceeding the thresholds herein described and in the negotiation of such contracts.

- (1) Qualifying Procedures. In order to be eligible to submit a bid or proposal, a firm must, at the time of receipt of the bid or proposal:
 - (a) Hold all required applicable state professional licenses in good standing.
 - (b) Hold all required applicable federal licenses in good standing, if any.

- (c) If the bidder is a corporation, hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes.
- (d) Meet any pre-qualification requirements set forth in the project or bid specifications. Qualification standards may include, but are not limited to, capability and adequacy of personnel, past record, and experience of the bidding entity.

Evidence of compliance with this Rule may be submitted with the bid, if requested by the District.

- (2) Public Announcement. Prior to a public announcement that professional services are required for a project, the Board shall identify the project as meeting the threshold requirement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when professional services are required for a project by publishing a notice providing a general description of the project and method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. These persons are encouraged to submit annually statements of qualifications and performance data. Persons who provide their name and address to the District Manager for inclusion on the list shall receive notices by mail. The Board has the right to reject any and all bids, and such reservation shall be included in the public announcement. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.

(3) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described above regarding qualifications and performance ability, as well as any statements of qualification of file. The Board shall conduct discussions with, and may require public presentation by firms regarding their qualifications, and/or public presentation, select and list the firms, in order of preference, deemed to be the most highly capable and qualified to perform the required professional services, after considering these and other appropriate criteria:
 - 1. The ability and adequacy of the professional personnel employed by each firm.
 - 2. Each firm's past performance for the District in other professional employment settings.

3. The willingness of each firm to meet time and budget requirements.
4. The geographic location of each firm's headquarters or office in relation to the project.
5. The recent, current, and projected workloads of each firm.
6. The volume of work previously awarded to each firm.
7. Whether a firm is a certified minority business enterprise.

Nothing in these Rules shall prevent the District from evaluating and eventually selecting a firm if less than three (3) responses, including responses indicating a desire not to submit a formal bid on a given project, are received.

- (b) If the selection process is administered by a person other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(4) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as the most qualified to perform the required professional services.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District within twenty-one (21) days be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable then unless modified by the Board, negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the

second most qualified firm. If a satisfactory agreement with the second firm cannot be reached within twenty-one (21) days (unless modified by the Board to the contrary) those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.

- (d) Should the District be unable to negotiate a satisfactory agreement with any of the selected firms within twenty-one (21) days (unless modified by the Board to the contrary) additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
 - (e) Once an agreement with a firm or individual is reached, notice of the award or intent to award, including the rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, or by hand delivery, or by overnight delivery service, and by posting same in the District Office for seven (7) days.
- (5) Continuing Contract. Nothing in this Rule shall prohibit a continuing contract between a firm or an individual and the District.
- (6) Emergency Purchase. The District may make an emergency purchase without complying with these Rules. The fact that an emergency purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

However, if the District sets forth in writing particular facts and circumstances which require the continuance of the process without delay in order to avoid immediate and serious danger to the public health, safety, or welfare, the award process may continue.

In such circumstances, the contract awarded shall be conditioned on the outcome of the protest.
- (4) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be posted in the office of the District not less than three (3) calendar days prior to such informal proceeding, with copies being mailed to the protestant and any substantially affected person or parties.  - (a) The District shall utilize a design criteria professional meeting the requirements of Section 287.055(2)(k) when developing a design criteria package, evaluating the responses or bids submitted by design-build firms, and determining compliance of the project construction with the design criteria package. The design criteria professional may be an employee of the District or may be retained using Section 4.6, Procedure Under Consultant's Competitive Negotiations Act.

- (b) A design criteria package for the construction project shall be developed and sealed by the design criteria professional. The package shall include concise, performance-oriented drawings or specifications of the project, and shall include sufficient information to put interested firms on notice of substantially all of the requirements of the project. If the project utilizes existing plans, the design criteria professional shall create a design criteria package by supplementing the plans with project specific requirements, if any. All design criteria packages shall require firms to submit information regarding the qualifications, availability and past work of the firms, including the partners and members thereof.
- (c) The Board, in consultation with the design criteria professional, shall establish the standards and procedures for the evaluation of design-build proposals which may include, but not be limited to, based on price, technical, and design aspects of the project, weighted for the project.
- (d) After the design criteria package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited, pursuant to the design criteria by the following procedure:
 - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of proposals, unless the Board, for good cause, determines a shorter period of time is appropriate.

 - (a) Hold the required applicable state professional license in good standing, as defined by Section 287.055(2)(h), Florida Statutes;
 - (b) Hold all required applicable federal licenses in good standing, if any;

- (c) Hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes, if the bidder is a corporation;

 - (f) The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards, and shall establish a price which the Board determines to be fair, competitive, and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Failing accord with the second most qualified firm, the Board must terminate negotiations. The Board shall then undertake negotiations with the third firm. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached.
 - (g) After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 - (h) The design criteria professional shall evaluate the compliance of the project construction with the design criteria package, and shall provide the Board with a report of the same.
- (2) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified design-build firm available at the time. The fact that an emergency purchase has occurred shall be noted in the minutes of the next Board meeting.

WHEREAS, the District is located in Hillsborough County, Florida (“**County**”); and

WHEREAS, the District owns and operates various infrastructure improvements and provides certain services in accordance with Chapter 190, Florida Statutes; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance services and facilities provided by the District as described in the District’s Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the County Tax Roll and collected by the County Tax Collector (“**Uniform Method**”); and

WHEREAS, the District has, by resolution and public notice, previously evidenced its intention to utilize the Uniform Method; and

WHEREAS, the District has approved an agreement with the County Property Appraiser and County Tax Collector to provide for the collection of special assessments under the Uniform Method; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments on all assessable lands for operations and maintenance in the amount contained in the Budget; and

WHEREAS, the District desires to levy and collect special assessments reflecting each parcel's portion of the District's Budget; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the District ("**Assessment Roll**") attached to this Resolution as **Exhibit "B"** and incorporated as a material part of this Resolution by this reference, and to certify a portion of the Assessment Roll on the parcels designated in **Exhibit "B"** to the County Tax Collector pursuant to the Uniform Method and to directly collect a portion of the assessments on the parcels designated in **Exhibit "B"** through the direct collection method pursuant to Chapter 190, Florida Statutes; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll adopted herein, including that portion certified to the County Tax Collector by this Resolution, as the County Property Appraiser updates the property roll, for such time as authorized by Florida law.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SHERWOOD MANOR COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT. The provision of the services, facilities and operations as described in **Exhibit "A"** confer a special and peculiar benefit to the lands within the District, which benefits exceed or equal the costs of the assessments. The allocation of the costs to the specially benefited lands is shown in **Exhibits "A"** and **"B"**.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapter 190 of the Florida Statutes, and using procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefited lands within the District in accordance with **Exhibits "A"** and **"B"**. The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution.

SECTION 3. COLLECTION AND DUE DATE.

A. Uniform Method Assessments. The collection of the previously levied debt service assessments and operation and maintenance special assessments on a portion of the

platted lots and developed lands shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in **Exhibits “A” and “B.”**

B. Direct Bill Assessments. The annual installment for the previously levied debt service assessments, and the annual operations and maintenance assessments, on a portion of the undeveloped and unplatted lands will be collected directly by the District in accordance with Florida law, as set forth in **Exhibits “A” and “B.”** Assessments directly collected by the District are due in full on December 1, 2017; provided, however, that, to the extent permitted by law, the assessments due may be paid in several partial, deferred payments and according to the following schedule: 50% due no later than December 1, 2017, 25% due no later than February 1, 2018 and 25% due no later than May 1, 2018. In the event that an assessment payment is not made in accordance with the schedule stated above, the whole assessment – including any remaining partial, deferred payments for Fiscal Year 2017/2018, as well as any future installments of special assessments securing debt service – shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District’s sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the applicable rate of any bonds or other debt instruments secured by the special assessments, or, in the case of operations and maintenance assessments, at the applicable statutory prejudgment interest rate. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170 of the Florida Statutes or other applicable law to collect and enforce the whole assessment, as set forth herein.

C. Future Collection Methods. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices. The District certifies all assessments for debt service and operations and maintenance for collection pursuant to Chapters 190 and 197, Florida Statutes. All assessments collected by the County Tax Collector shall be due and payable as provided in Chapter 197, Florida Statutes.

SECTION 4. ASSESSMENT ROLL. The District's Assessment Roll, attached to this Resolution as **Exhibit “B”**, is hereby certified and adopted.

SECTION 5. ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the property roll by the County Property Appraiser after the date of this Resolution, and shall amend the District’s Assessment Roll in accordance with any such updates, for such time as authorized by Florida law. After any amendment of the Assessment Roll, the District Manager shall file the updates to the tax roll in the District records.

SECTION 6. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board of Supervisors of the Sherwood Manor Community Development District.
